Updated in June 2022

- **QS world University ranking 2022**
- 33<sup>th</sup> in China
- 581<sup>st</sup> -590<sup>th</sup> in the world

# Memorabilia

**May 10**  
Establishment and first enrollment

**June** The graduation for the first 183 undergraduate students.  
**August** Be accredited for Master's programs.

Deng Xiaoping gave his personal approval to the university.  
Jiang Zemin penned the university characters in his own hand.

**June**  
Teachers college was established.

**January** Passed the teaching evaluation for the undergraduate program accredited by MOE  
**May** Be accredited by the Academic Degree Evaluation Committee of the State Council for Master's programs.

Reorganized into the faculty and college structure, adopted a work-study program and committed to an integrated approach to teaching.

**September 2**  
The Academician Niu Hanben led his team to settle in SZU.  
Institute of optoelectronic was established.

**March 29**  
The Key Laboratory of Optoelectronics Devices and System was established

Shenzhen University Webank Institute Of Fintech was established.

Ranked among the top 500 in the world and top 30 in China.

**March** The Lihu campus was officially put into use.  
**December 29** Shenzhen University General Hospital held a trial operation unveiling ceremony.

The Shenzhen Municipal Government has decided to invest 1 billion yuan in special funds to SZU.

**April 17** Academician Chen Guoliang led the research and development of China's first "Loongson 3A" CPU and domestically produced trillion-time high-performance computer.

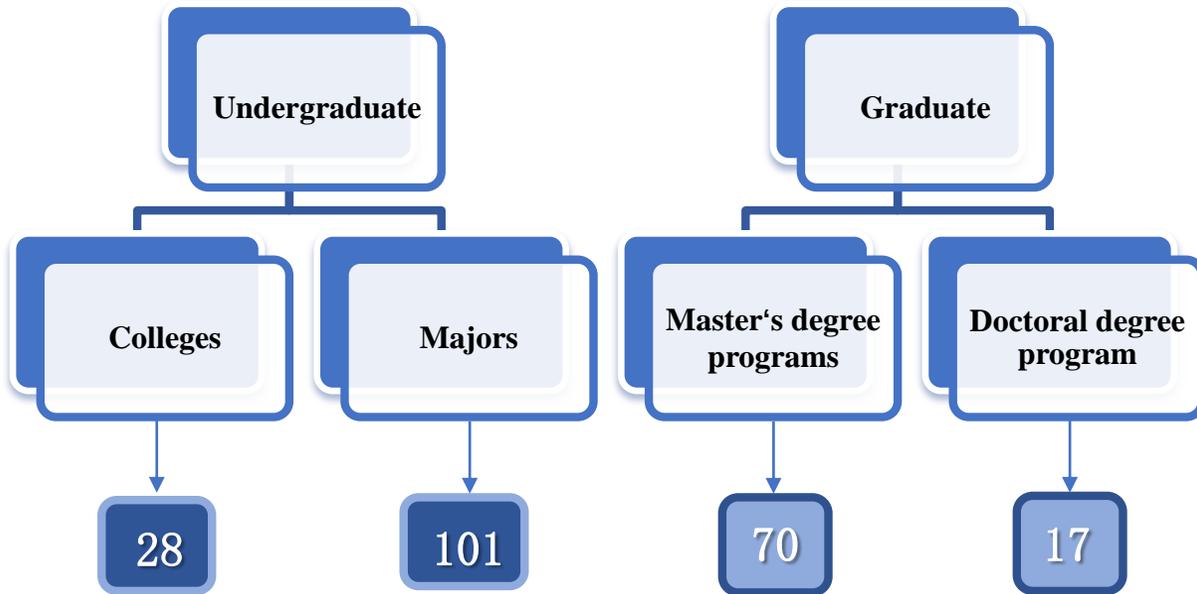

Lihu Campus was planned to build by the Shenzhen municipal government.

**January 22** Started to build the Canghai Campus  
**August** The center for SZU Optoelectronics engineering post-doctoral studies was officially set up.

**January** Added a doctoral degree-granting unit, in the study of political economics, Optoelectronics engineering, information and signal processing.

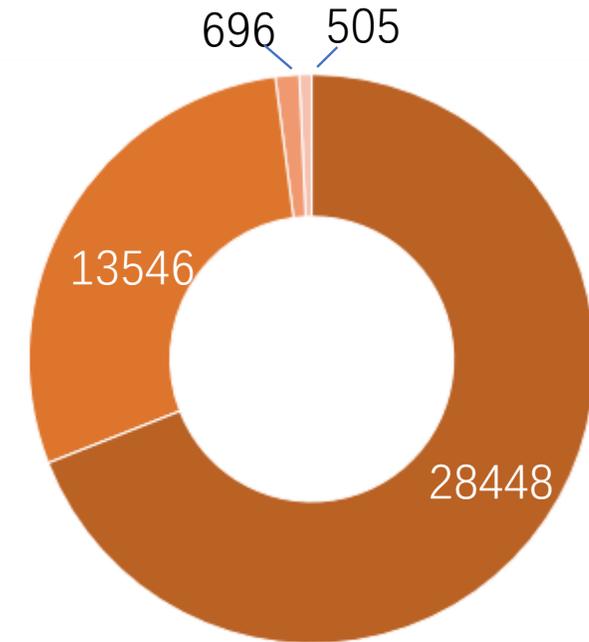

## Academic Programs

## Enrollment (~ 2023.3)

43195 Full-time students

■ Undergraduate bachelor program ■ Graduate master program  
■ Graduate doctoral program ■ International students

※ **25682** Continuing study students (part- time)

# Campus

- 2.72sq.kms
- 2 Campus ( Yuehai / Lihu )

## **Campus Yuehai**

College of International exchange

School of Humanities

School of Foreign Languages

School of Media and Communication

Division of Arts

College of Mathematics and Statistics

College of Physics and Optoelectronic Engineering

College of Civil and Transportation Engineering Faculty of Education

College of Computer Science & Software Engineering

College of Mechatronics and Control Engineering

School of Architecture and Urban Planning

College of Electronics and Information Engineering

Institute for Advanced Study

Institute Of Fintech

Sport School

School of psychology

## **Campus Lihu**

(\*about 40-minute driving distance from Yuehai / Canghai campus

\*6 shuttles between Campus Yuehai / Canghai and Campus Lihu )

Health Science Center

College of Chemistry and Environmental Engineering

College of Life Sciences and Oceanography

College of Materials Science and Engineering

College of Economics

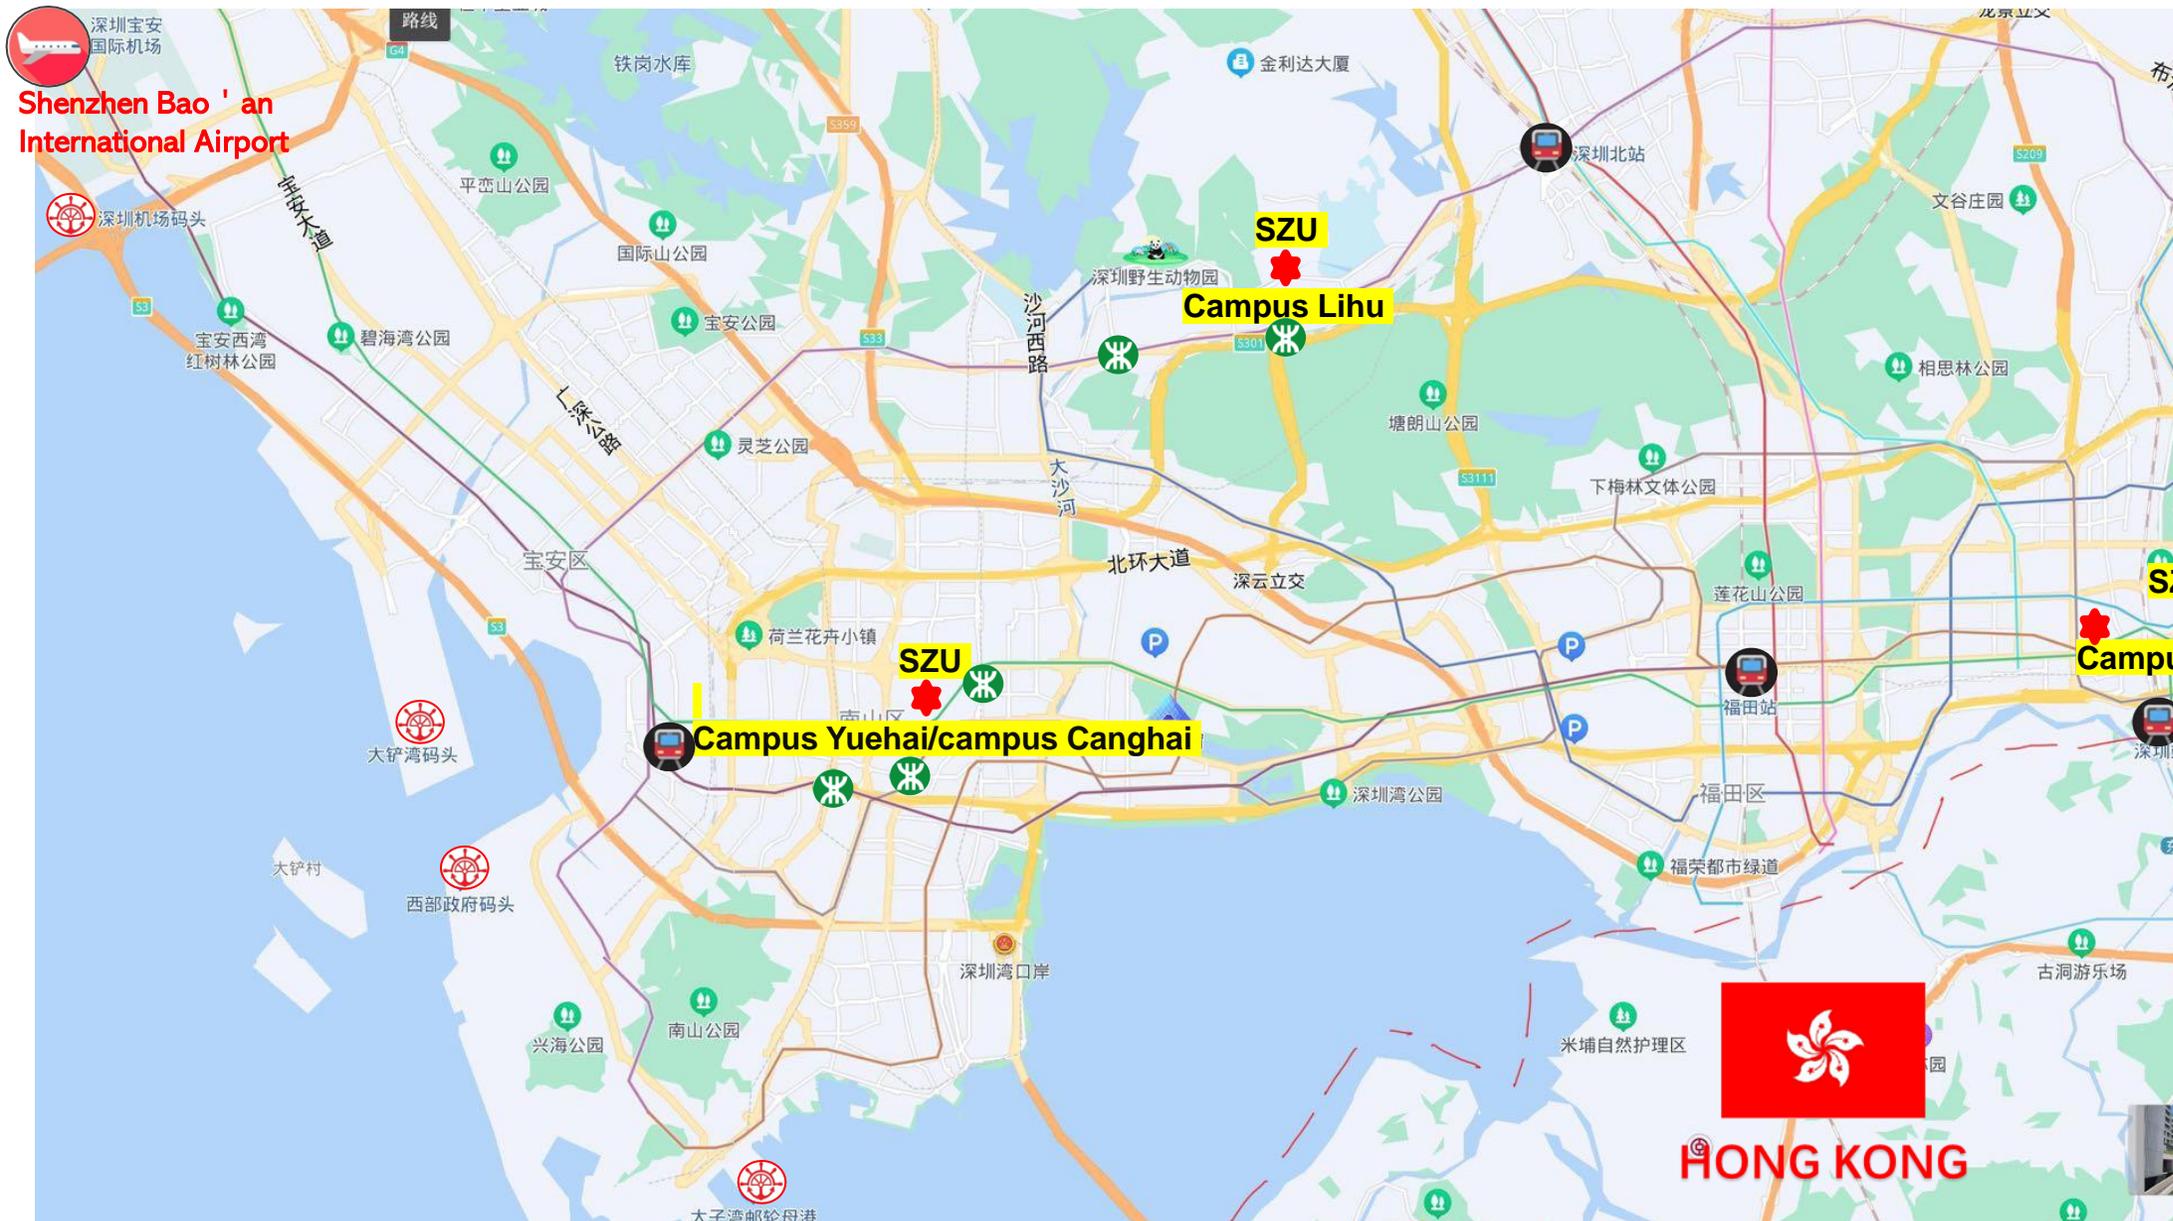

College of Management

Law school

School of Government

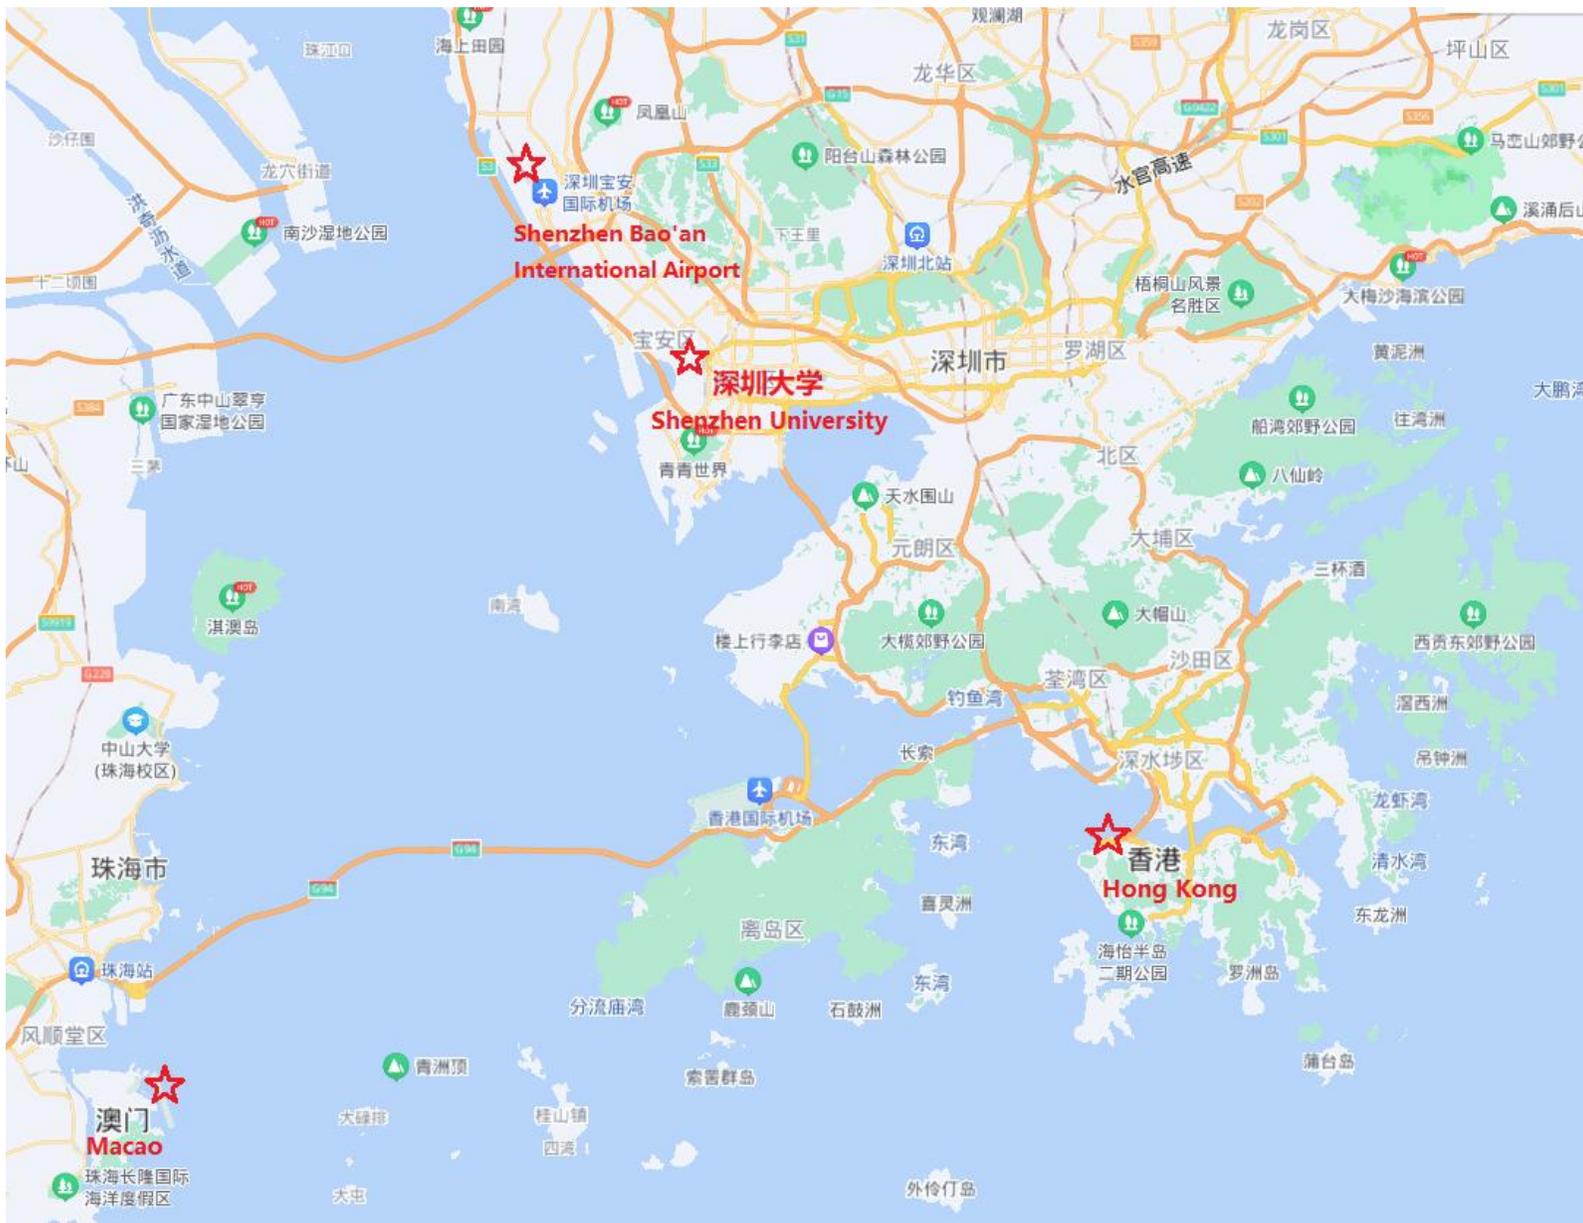

# Location

-  High-speed rail
-  Airport
-  Metro station
-  Subway lines
-  Pier

# Location

From Yuehai Campus

To HongKong

To Shenzhen Bay Port Immigration

About 30 mins

About 40 mins

To Macao (by Ferry)

To Shekou Cruise Home Port

About 30 mins

About 40 mins with 2 transfers.

To the airport

About 40 mins

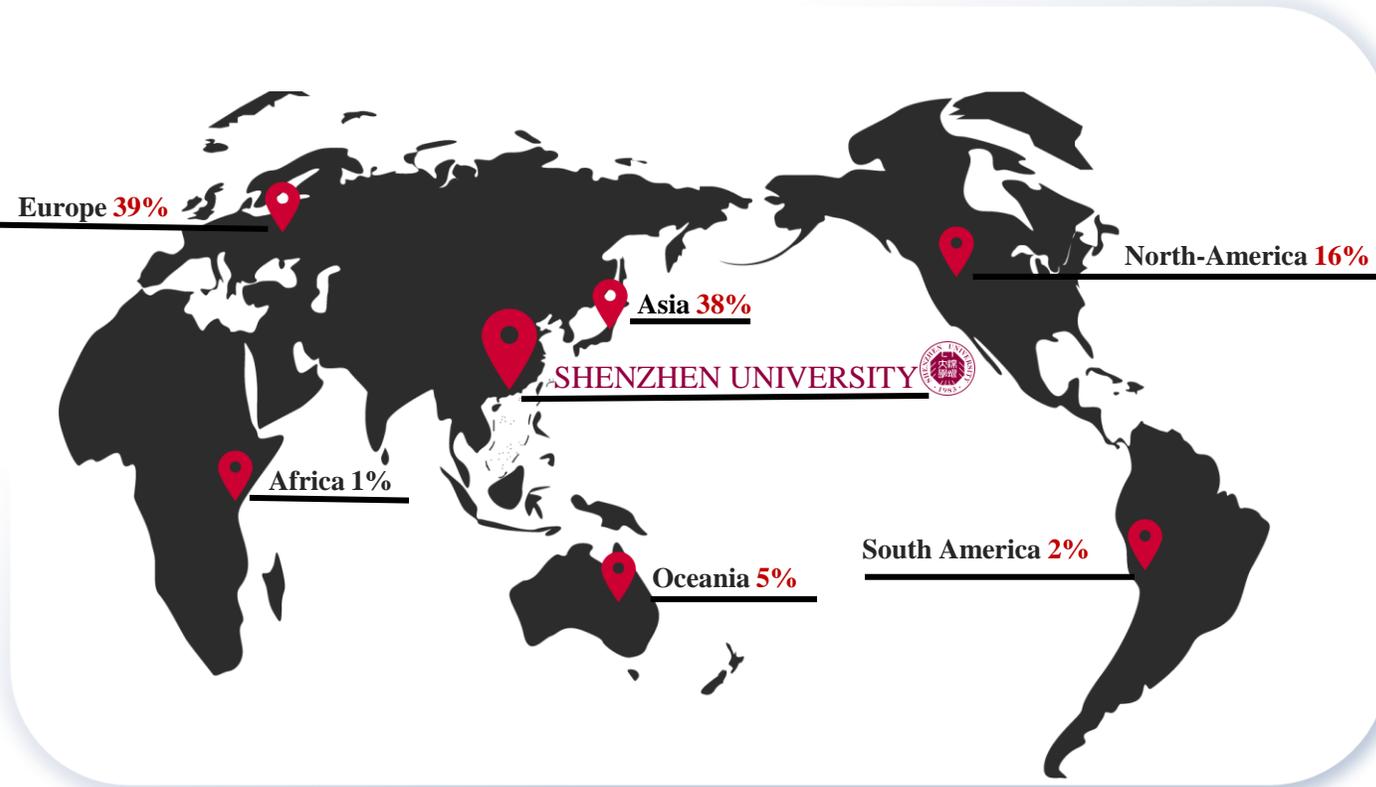

About 40 mins with 1 transfer.
